All rights reserved.

The University of North Carolina at Chapel Hill ("UNC") and the developers ("Developers") of TRACY Fiber Photometry Analysis Suite ("Software") give recipient ("Recipient") and Recipient's Institution ("Institution") permission to use, copy and redistribute the software in source and binary forms, with or without modification for **non-commercial purposes only** provided that the following conditions are met:

1) All copies and redistributions of Software in binary form and/or source code, related documentation and/or other materials provided with the Software must reproduce and retain the above copyright notice, this list of conditions and the following disclaimer.

2) Recipient will provide the Developers with feedback on the use of the Software in their research. The Developers and UNC are permitted to use any information Recipient provides in making changes to the Software. All feedback, bug reports and technical questions shall be sent to: jobritch@email.unc.edu

3) Recipient acknowledges that the Developers, UNC and its licensees may develop modifications to Software that may be substantially similar to Recipient's modifications of Software, and that the Developers, UNC and its licensees shall not be constrained in any way by Recipient in UNC's or its licensees' use or management of such modifications. Recipient acknowledges the right of the Developers and UNC to prepare and publish modifications to Software that may be substantially similar or functionally equivalent to your modifications and improvements, and if Recipient or Institution obtains patent protection for any modification or improvement to Software, Recipient and Institution agree not to allege or enjoin infringement of their patent by the Developers, UNC or any of UNC's licensees obtaining modifications or improvements to Software from the UNC or the Developers.

4) Recipient and Developer will acknowledge in their respective publications the contributions made to each other's research involving or based on the Software.

5) Any party desiring a license to use the Software for commercial purposes shall contact The Office of Technology Commercialization at UNC at 919-966-3929.
